

Art of Collage

-Mary Kate McKinley

Collage is an art form using paper, glue, paint and found objects in new ways. This course is exploratory and includes printmaking and painting techniques. The curriculum varies each semester due to the multitude of ways to create collages.

Students will learn the properties of various adhesives, mediums, substrates, papers, found objects, etc. in order to properly assemble a successful work of art.

Elements of Art, Principles of Design, Color Theory, & Composition will be taught as needed. Tools are introduced according to the technique(s) being taught.

Inspirational examples of artwork using the theme or technique being taught will be shown using images from the internet.

Informational handouts are used as needed.

Creative framing will also be taught near the end of the semester so our artwork can be displayed professionally.
