

Mah Jongg for Intermediates

The goal of this class is to master the finer points of play: avoiding “Rookie Mistakes”, acquiring strategies, making mindful exposures, solving problems, and increasing speed. We use the National Mah Jongg League Hands and Rules and play with a 300 point pie. Members are requested to bring their 2024 card with them if they have it and coins for pie scoring (these will be returned to you at the end of each class).
