US Civil War Class Outline

- Welcome, class organization and description. Contact info for me
- Reference list
    - o Books
    - o Online references
    - o Movies
    - o Battlefield & museums
- Weapons used
- Army organization
- Military trends that the war introduced (use of railroads and other things
- Overview of the 2 sides and their capabilities
- The remaining slides are a chronological approach describing the major battles and events.
    - o NOTE the new class will describe the events of the first year in the East and then the events in the west for each year. In the proposed class the Eastern campaign slides will be reused with possibly minor changes. The Western campaign slides will have to be newly developed.
- The class will end w. the surrender of Appomattox, and subsequent CSA surrenders, and the Assassination of Lincoln. It will in 1 slide discuss Battlefields & re-enactments. A final slide will list civil war related songs.

I can provide the 1st class slides if you wish.
