

This in-person course is for beginners, intermediates, and advanced students. New students will learn basic arrangements in shallow and tall containers using FRESH plant materials. Intermediate/Advanced students will further their knowledge of basic moribana and nageire as well as freestyle arrangements using fresh and dried plant materials as well as unconventional materials. New students will obtain an initial package at \$160 from the instructor that will contain everything required for making ikebana arrangements. Advanced students will obtain additional textbooks, containers, kenzans, and unconventional materials as instructed. All students will provide their plant materials for class.
