

## X- OLLI Book Club: Online

The OLLI online book club is an extracurricular activity which meets the second Thursday of each month at 3:45. Volunteers lead each month's discussion.

Prior to the first meeting, a group of volunteers narrows a previously submitted list of current books, fiction and non-fiction, to ten for a ballot. At the beginning of the first meeting, attendees vote for four books to be discussed over the next four months, and a discussion leader for each month is selected.
