

## **Gotta Move: Streisand in the 60's**

### **Course Description**

Gotta Move! Streisand in the 60's

Was she a kook or an unpolished gem? No one was quite sure when 18 year old Barbara Streisand won a talent contest and a job at a Greenwich Village gay bar in 1960. Sixty years later, after losing an "a" and winning multiple Oscars, Grammy's and Emmy's, Barbra is a living legend. This class will take us back to where and when her legend began.
