

Saints and Devils - Devils First!

Course Description

Evil in opera is not new but some operas feature the Devil himself. Through videos featuring some amazing singers and great productions, we'll enjoy seeing the Devil get what's coming to him!

Weekly Layout:

The order of the operas we'll enjoy will be by date of origin. It will take a few weeks to get through each opera. To help, each class will be recorded and the link will be sent to you. This way you can review it at your leisure. The video link will be available for a couple of months so you can return to your favorites. Time for reaction, comment, critique will be included at each session.
