

## **French: Intermediate, Part 2**

### **Course Description**

Course will be conducted in French with presentation and explanation of grammar points; guided exercises for practicing grammar; conversations using newly-learned material; and constant review of previously learned, and newly acquired, material. There will be constant back and forth conversations between instructor and students in the target language with as little use of English as possible.

### **Weekly Layout:**

Question de mode

Une minute pour un projet

Les ados

Le logement idéal

A` bicyclette

Destination soleil

Choix de vie

De bonnes résolutions

Manger mieux, bouger plus

Demain, j'arrête...

La journée de sport

Au chômage

A mi-temps
